SUMMARY

Motivated Computer Science student with a strong interest in AI, Web Development, Cybersecurity, and emerging technologies. Skilled in programming fundamentals and problem-solving with hands-on experience building small projects. Seeking internship and entry-level opportunities to enhance technical skills and contribute to innovative technology solutions.

EDUCATION

GLA University

Diploma in Computer Science

2024-27

S.M.S Jain Inter College

Class 10th, Up Board

2023

PROJECTS

Personal Portfolio Website

- Developed a multi-page portfolio website showcasing skills, education, resume, and personal details.
- Used HTML, CSS, and modern UI design concepts.

Python Calculator

- Created a calculator application using Python.
- Implemented arithmetic operations and user-friendly functionality.

QR Code Generator

- Developed a Python-based QR code generator.
- Generated QR codes dynamically from user input.

TECHNICAL SKILLS

Java

Python

C Programming

HTML5

CSS3

JavaScript (Basic)

Computer Hardware

Networking Fundamentals

Git & GitHub

Microsoft Office

AI Fundamentals

CERTIFICATIONS

Microsoft AI Concepts for Developers and Technology Professionals (June 2026)

STRENGTHS

Fast Learner Problem Solving Communication Skills Team Collaboration Adaptability

ACHIEVEMENTS & ACTIVITIES

Actively learning Artificial Intelligence and Cybersecurity concepts. Built beginner-level web development and Python projects. Regularly explore emerging technologies and digital innovation trends.
